

"The Love of God has been poured out into our hearts through the Holy Spirit who has been given to us" Romans 5:5

Forty years ago at Duquesne University, the Holy Spirit ignited the flame of a new Pentecost within a small group of faculty and students...A powerful burst which resulted in the "baptism in the Holy Spirit" and the beginning of the Catholic Charismatic Renewal. The Renewal spread to other universities, across the United States, and around the world. Today, the lives of over 100 million Catholics have been touched by the power and love of the Holy Spirit. Join us as we celebrate and pray for a fresh outpouring of the Holy Spirit.
